

Happy New Year!!!!

Hope you all enjoyed the Christmas Season and were able to reflect upon its true meaning. The past few months have been very busy at the Center with the Veteran's Day Luncheon in November, which is always a heartwarming event, and this year was no exception. A big thank you to Dorothy Bailey and the volunteers who once again put on a wonderful Bake Sale. All proceeds benefit our Senior Center.

Thank you to all who volunteered in bringing together the beautiful event of our Christmas Party. It would never be possible without the assistance of volunteers. For those of you who were unable to attend the party, you missed seeing Santa. He was a jolly old soul and enjoyed by all.

Thank you to the volunteers who created such a unique design of the Button Tree that was display at the Belleville Museum. Truly a work of art!

Despite the National economy our Senior Center is growing. The attendance is up and the programs are flourishing, so it became necessary to restructure our office schedules and procedures. If you haven't been to the Center lately please stop in and see what's new.

I would like to thank Phyllis Queener for her volunteer service and for instructing the Arthritis Foundation Exercise Program. Phyllis has resigned, but the exercise program will, however, resume in early January with a new instructor. Call the Center for details.

January will bring a new program developed by Tim Trollope who will be instructing a Beginners Golf Class starting January 26, 2012 at 12:30pm. We have a need for golf clubs for practice, and we will welcome any donations.

Mark your calendars for February 29, 2012, at 1pm for the showing of the movie, I Remember Yesterday, followed by a Silent Auction. We would greatly appreciate any new items or services donated for the event. We have so much for which we are thankful. For more information stop in at the Center.

I would like to begin a program to support our homebound friends and neighbors. I welcome suggestions, and anyone who would like to volunteer and participate in a rewarding experience please contact me.

In closing I look forward to seeing each of you in the coming year and wish you all a healthy, Happy New Year!

Truly,

Lynette
