

September Days Senior Center

TRANSPORTATION PROGRAM

September Days is introducing a new Transportation Program for Senior Adults in Van Buren Township. The program will assist Seniors in getting to their doctors' appointments.

Transportation is available Mondays and Wednesdays to St. Joseph, U of M, and Veteran's Hospitals. Transportation is available Thursdays to local doctors' offices and Oakwood Annapolis.

Doctors' appointments must be scheduled between 10am and 2pm.

Reservations must be made 48 hours in advance by calling Mindy Waddle in the Senior Center Office at 734-699-8945. Mindy will be coordinating the ride schedules. Rides will be scheduled as calls are received. When making a reservation, you must provide your name, address, phone number, destination address and phone number.

Suggested donation is \$2 each way for local trips and \$5 each way for trips to Washtenaw County.

Copies of full transportation policy are available in the Senior Center Office.

We appreciate your patience as we get this new program up and running. We are pleased to offer this program to better meet your needs.
