Subrecipient Information

Funds were awarded to the State of Michigan as Federal Financial Assistance from the U.S. Department of Treasury. The funds were awarded under the Social Security Act, as amended by section 5001 of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") <u>https://home.treasury.gov/policy-issues/cares/state-and-local-governments</u> as the Coronavirus Relief Fund (CRF).

CFDA #: 21.019

FAIN #: SLT0040 and SLT0247

Coronavirus Relief Funds are considered federal financial assistance and have been assigned a Catalog of Federal Domestic Assistance (CFDA) or Assistance Listing Number of 21.019. Fund payments are considered to be federal financial assistance subject to the Single Audit Act (31 U.S.C. Sections 7501 – 7507) and the related provisions of the Uniform Guidance, 2 Code of Federal Regulations (CFR) Section 200.303 regarding internal controls, Section 200.330 – 200.332 regarding subrecipient monitoring and management, and subpart F regarding audit requirements. Under the Single Audit Act, local jurisdictions will need to report expenditures under this program using the CFDA number 21.019.

The State of Michigan is making these funds available to eligible applicants for reimbursement/payment of first responder hazard pay premiums provided to first responders who have performed hazardous duty or work involving physical hardship related to COVID-19. Eligible applicants, including but not limited to the certifying local official submitting this application, are required to review the CRF guidance and associated FAQs and other documents to certify their compliance with the terms and conditions of the grant at https://home.treasury.gov/policy-issues/cares/state-and-local-governments.

Coronavirus Relief Funds are considered federal financial assistance subject to the Single Audit Act and the Uniform Guidance. The following Uniform Guidance provisions have been identified as significant and summarized below. Applicants must review the Uniform Guidance at https://www.ecfr.gov/cgi-bin/text-idx?SID=6214841a79953f26c5c230d72d6b70a1&tpl=/ecfrbrowse/Title02/2cfr200 main 02.tpl for complete requirements.

Use of Funds

The CARES Act requires that the payments from the Coronavirus Relief Fund only be used to cover expenses that:

- 1. are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID–19)
- 2. were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the State or government
- 3. were incurred during the period that begins on March 1, 2020, and ends on December 30, 2020

Hazard pay means additional pay for performing hazardous duty or work involving physical hardship, in each case that is related to COVID-19. The Guidance says that funding may be used to meet payroll expenses for public safety, public health, health care, human services, and similar employees whose services are *substantially dedicated* to mitigating or responding to the COVID-19 public health emergency. Hazard pay is a form of payroll expense and is subject to this limitation, so Fund payments may only be used to cover hazard pay for such individuals.

Utilization of CARES Act for this Program

For this First Responder Hazard Pay Premiums Program (FRHPPP), eligible applicants can request reimbursement/payment for hazard pay premiums paid or will be paid to eligible employees no later than September 30, 2020. The amount of hazard pay premiums is limited to \$1,000 per employee and \$5,000,000 per applicant.

Coronavirus Relief Fund payments are not required to be used as the source of funding of last resort. However, as noted below, recipients may not use payments from the Fund to cover expenditures for which they will receive reimbursement. For this reason, the State of Michigan's First Responder Hazard Pay Premiums Program, Reimbursement Request (Form 5723) requires each applicant to affirm that the amounts for which reimbursement/payment is being requested have not been submitted or will not be submitted to another federal source of funding (for example, FEMA) for reimbursement/payment.

To obtain a payroll reimbursement for employees that are not normally classified as public safety and public health, but are "similar" in the context of the guidance (e.g. employees who are substantially dedicated to COVID-19 response), each jurisdiction's chief administrative officer must decide if their costs are appropriate to charge to the Coronavirus Relief Fund and document the justification for that decision.

Subaward Period of Performance and Available Funding

Under the First Responder Hazard Pay Premiums Program (FRHPPP), reimbursements/payments from the State of Michigan will be issued on a first-come, first-served basis and will cover hazard pay premiums paid to eligible employees during the period of time of March 1, 2020 – September 30, 2020. Eligible applicants receiving funding under this program may not use the proceeds to establish a sub-award to another entity.

The last date of the performance period for the subawards is September 30, 2020.

The total amount of Coronavirus Relief Funds available for the First Responder Hazard Pay Premiums Program is \$100,000,000. Funding will be issued on a first-come, first-served basis once an eligible applicant submits all the required documentation to the Michigan Department of Treasury.

Responsibilities, Records, Repayments & Future Audits

The U.S. Department of Treasury has indicated that the two provisions of the Uniform Guidance, 2 Code of Federal Regulations (CFR) Section 200.303 regarding internal controls, Section 200.220 through 200.332 regarding subrecipient monitoring and management, and subpart F regarding audit requirements are applicable to all CRF subawards at this time. However, guidance is evolving, and jurisdictions will be required to comply with additional guidance as it is published. Effective internal controls must be established and maintained (2 CFR Section 200.303). All reimbursements requested under this program should be accounted for with supporting documentation. Eligible applicants should maintain documentation evidencing that the funds were expended in accordance with federal, state, and local regulations. In accordance with federal Uniform Guidance, funds received under this program shall be included on the eligible applicant's Schedule of Expenditures of Federal Awards (SEFA) and included within the scope of the eligible applicant's Single Audit.

Any funds received under the authorizing legislation for this program expended by the eligible applicant in a manner that does not adhere to the Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136 or Uniform Guidance 2 CFR 200, as applicable, shall be returned to the state. If it is determined that an eligible applicant receiving funds under this act expends any funds under this act for a purpose that is not consistent with the requirements of the Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, or Uniform Guidance 2 CFR 200, the state budget director is authorized to withhold payment of state funds, in part or in whole, payable from any state appropriation.

All subawards are subject to future audits and eligible applicants must allow the State of Michigan, any of its duly authorized representatives and/or the State of Michigan's Office of the Auditor General access to the eligible applicant's records and financial statements to ensure compliance with Federal statutes, regulations and the terms and conditions of the grant award.

Registration

Each eligible applicant that receives a subaward must register with the Federal System for Award Management (SAM). For applications submitted on or before July 26, 2020 the applicant has until July 26, 2020 to register in the SAM system. Applicants that apply after July 26, 2020, must register in the SAM system prior to applying to the Michigan Department of Treasury. The SAM website is: https://www.sam.gov/SAM/.
